STRIKE AT KNIGHTINGALES

DON'T PASS THE PICKET LINE

Workers at the Knightingales shop in the ILAC centre are on strike because of the decision of the management to dismiss a member of the staff without valid reason some weeks after she had completed her probationary period.

The management have refused to meet with the Union involved to try and resolve the strike.It appears that the management do not want to recognize the right of the union to represent it's members.

These workers were left with no choice but to go on strike in solidarity with their dismissed colleague.

Please support these workers.
